Attachment #2

UFO Major Cathcart, TAC COC

Unidentified flying object sighted by 401st Tactical Fighter Wing personnel. Five sources at England AFB sighted object between 1700 and 2100 CST. One was a 401st pilot on way to Keesler AFB, LCol DeWitt, 401st tower personnel, the England AFB Airdrome Officer, and a Braniff Airlines pilot over Monroe, La. Object was described as appearing like a bright light moving slowly and giving off sparks. Disappeared to the northwest. AF pilot states light bright enough to read all instruments. Airdrome Officer states unlike any meteor he had ever seen. New Orleans control center states no known A/C with problems in the area. England AFB reports no local flying in the area.
